A clear plan for your next move.

Buying or selling, I make the process easier to understand.

I bring honest advice, thoughtful research, and a strategy built around your goals. From finding the right home to preparing yours for market, I explain your options and keep the details moving. Serious about your goals. Easy to talk to.

Buying a home

Find the right fit. A focused search and tours built around your priorities and schedule.

Know what you're buying. Comparable sales, property history, and concerns worth a closer look.

Make a thoughtful offer. Price, terms, and negotiation guided by your goals and comfort level.

Stay on track. Clear help with inspections, deadlines, and coordination through closing.

Selling a home

Prepare with purpose. A practical plan for repairs, presentation, timing, and budget.

Price with perspective. A strategy grounded in comparable sales and current competition.

Make your home stand out. Coordinated photography, marketing, and showings that tell its story.

Navigate the offers. Clear comparisons, negotiated terms, and a plan that responds to feedback.
